I had a sister, onceâ€¦

In a world ruled by fierce warrior queens, a grand empire was built upon the backs of Phoenix Ridersâ€”legendary heroes who soared through the sky on wings of fireâ€”until a war between two sisters ripped it all apart.

I promised her the throne would not come between us.

Sixteen years later, Veronyka is a war orphan who dreams of becoming a Phoenix Rider from the stories of old. After a shocking betrayal from her controlling sister, Veronyka strikes out alone to find the Ridersâ€”even if that means disguising herself as a boy to join their ranks.

But it is a fact of life that one must kill or be killed. Rule or be ruled.

Just as Veronyka finally feels like she belongs, her sister turns up and reveals a tangled web of lies between them that will change everything. And meanwhile, the new empire has learned of the Ridersâ€™ return and intends to destroy them once and for all.

Sometimes the title of queen is given. Sometimes it must be taken.
