Just as Stevie feels sheâ€™s on the cusp of putting it together, her parents pull her out of Ellingham academy.

For her own safety they say. She must move past this obsession with crime. Now that Stevieâ€™s away from the school of topiaries and secret tunnels, and her strange and endearing friends, she begins to feel disconnected from the rest of the world. At least she wonâ€™t have to see David anymore. David, who she kissed. David, who lied to her about his identityâ€™son of despised politician Edward King. Then King himself arrives at her house to offer a deal: He will bring Stevie back to Ellingham immediately. In return, she must play nice with David. King is in the midst of a campaign and canâ€™t afford his son stirring up trouble. If Stevieâ€™s at school, David will stay put.

The tantalizing riddles behind the Ellingham murders are still waiting to be unraveled, and Stevie knows sheâ€™s so close. But the path to the truth has more twists and turns than she can imagineâ€™and moving forward involves hurting someone she cares for.
